

The NEWS and SENTINEL

Birth Announcement Form

The Sentinel does not charge for birth announcements. However, they are published on a space-available basis; every attempt is made to publish within two to three weeks of submission.

You are not required to fill out or submit this form—you are welcome (encouraged, even) to use it as a guide for writing your own announcement.

Name & daytime telephone number of person filling out this form (required):

Multiple births: Use this section for one baby, and the space on page two for the other(s).

If you are announcing multiple births, please use this space to provide more information:

Photographs

The Sentinel will accept photographs to accompany your announcement. An uncropped, original JPEG file submitted by e-mail is best; at least 150 dots per inch resolution is required. Photos must be sent as attachments; do not embed them in a Word document or use Web-based photo sharing.

Color prints are fine, but must be clear; prints from home computers must be of high resolution to ensure that they will reproduce well when published on newsprint. To have your photograph returned to you, submit a self-addressed, stamped envelope.

Questions may be directed to the editor or graphic designer at the number below.

***For all e-mailed announcements—with or without photos—be sure to type
“WEDDING ANNOUNCEMENT” or “ENGAGEMENT ANNOUNCEMENT”
in the subject line.***
