Wedding/Engagement Announcement Form

The Sentinel does not charge for publishing wedding and engagement announcements. However, they are published on a space-available basis; every attempt is made to publish within two to three weeks.

You are not required to fill out or submit this form—you are welcome (encouraged, even) to use it as a guide for writing your own announcement.

Photographs

The Sentinel will accept photographs to accompany your announcement. An uncropped, original JPEG file submitted by e-mail is best; at least 150 dots per inch resolution is required. Photos must be sent as attachments; do not embed them in a Word document or use Web-based photo sharing.

Color prints are fine, but must be clear; prints from home computers must be of high resolution to ensure that they will reproduce well when published on newsprint. To have your photograph returned to you, submit a self-addressed, stamped envelope.

Questions may be directed to the editor or graphic designer at the number below.

***For all e-mailed announcements—with or without photos—be sure to type
“WEDDING ANNOUNCEMENT” or “ENGAGEMENT ANNOUNCEMENT”
in the subject line.***
